# The Venue

# Culture & Leisure

# Johann Sebastian Bach

- 1717-1723: Court conductor (Hofkapellmeister) in Köthen
- Created seminal work (e.g., Brandenburg concertos) during this period
- We may have a Bach-featured 4-course menu

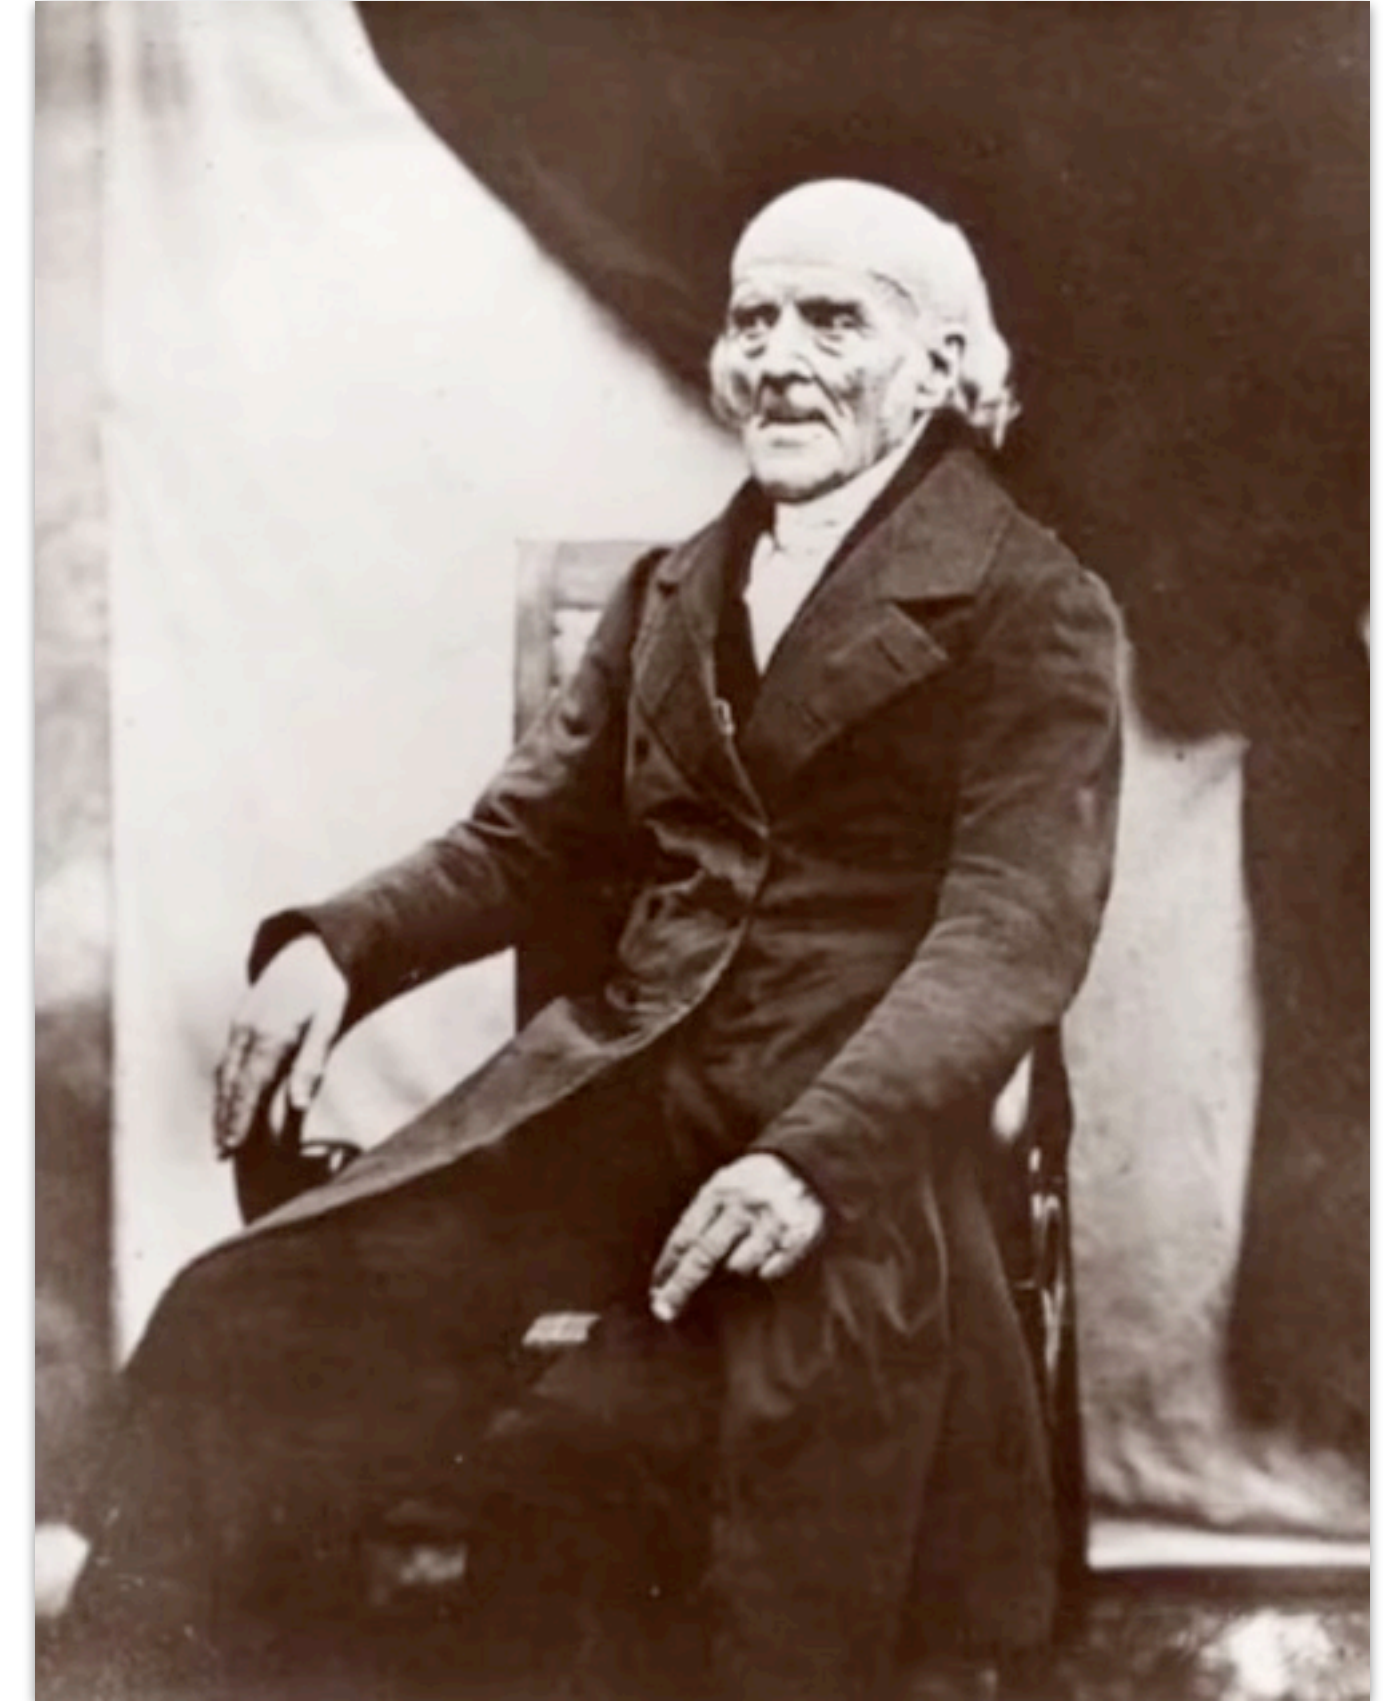

# Köthen Castle

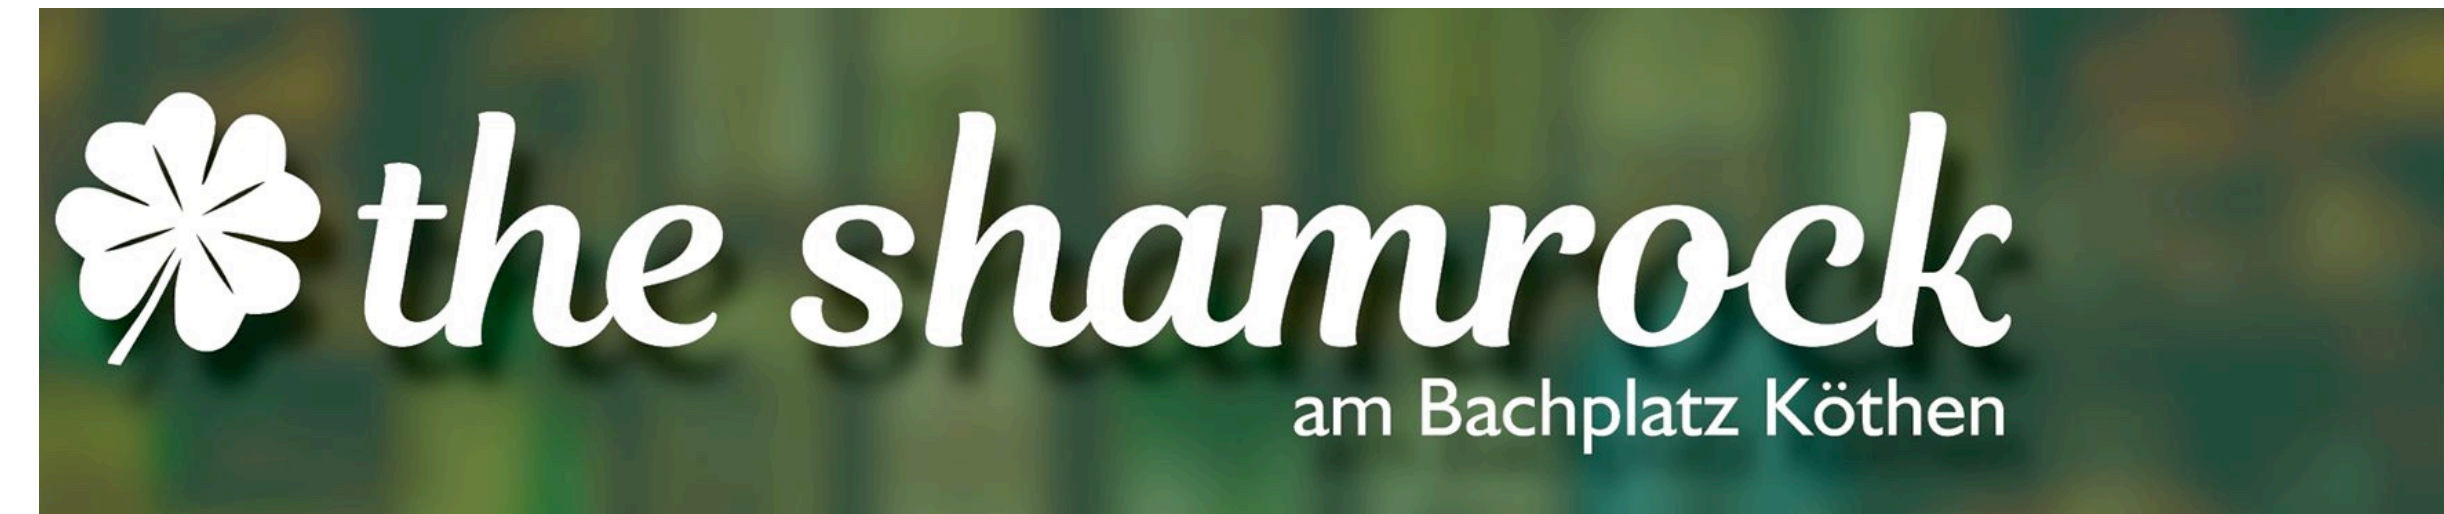

# Samuel Hahnemann

- Inventor of Homeopathy
- Eventually settled down in Köthen
- Couple of buildings and association devoted to that topic

# Summary FOSD 2025

- When: Not decided yet, most likely March 2025
- Where: Köthen (Anhalt)
